As you might realize a diplomatic is a person of means or wealth.

These diplomatic appointments and passport program are for persons of wealth and means who are serious and can offer the host country something in return for a diplomatic appointment. For instance having a luxury office as the Honorary Consulate in your home country; Host visiting dignitaries from the host country; Having an exhibit booth at travel or trade show at the Frankfurt, Germany (or your country of residence) annual travel show, etc.

Through our long time reliable and trusted contacts at governmental level, we are able to offer a genuine diplomatic appointment and passport from a respected UN member countries starting from Euro 200,000 for a "Special Envoy for Parliament appointment," Euro 300,000 for an honorary consul and up to Euro 1,500,000 for an ambassadorial appointment.

The cost of the appointment depends on what positions are available at the time, country where you are resident, your CV [Curriculum Vitae] and means or proof of funds test.

As part of this program you have the option of traveling to the host countries consulate in to personally meet the Ambassador who will present you with your credentials and diplomatic passport, or to have them sent to you anywhere in the world by courier service.

- * You may purchase drinks, cigarettes and other supplies for your consulate duty free.
- * You will be exempt from all forms of tax on any of your income in the host country derived from outside of that country.

Also required is your CV [Curriculum Vitae]... plus a letter motivating how you feel you can best represent and serve the nation abroad.

Your proof of funds (POF) is mandatory. Proof of funds (POF) can be a recent bank statement clearing showing the clients name as it appears in your passport copy reflecting a cash balance well in excess of the appointment you query, i.e. in the middle six figure areas Euro or equivalent. For security reasons we suggest you whiteout your account number so it cannot be read.

Correspondence should include details of your nationality, country of legal residence, city and place of business.

Should you wish to proceed, subject to you qualifying, as a certain amount of consultation and travel by us is required prior to appointment, a non-refundable referral fee of Euro 1,500 is required together with your application. This ensures that you are serious and covers our expenses and time during the presentation and discussion of your bona-fides.

Once your CV and proof of funds have been accepted and your appointment pre-confirmed, a fully refundable deposit of 50% of the cost of the appointment (balance of the remaining 50% immediately prior to delivery) is to be remitted to an account of ours.

PT Shamrock acts as the escrow agent holding all funds. This guarantees the diplomatic source and country, as well as you the candidate, that all is in order and the funds and documents will be forthcoming as agreed. Then and only then are funds released to the necessary sources as agreed by all parties.

As you would be pre-qualified prior to remitting your 50% deposit, it is highly unlikely you would be declined an appointment.

However should you fail to receive your appointment, your deposit is 100% refundable less our processing referral fee of Euro 1,500.

Processing will take approximately 3 months from receipt of all the requirements listed below and your initial 50% deposit.

Client will receive a genuine DPP [diplomatic passport] from a stable third world or other leading nation including full accreditation at your country of residence from the host country.

Delivery of your DPP and credentials can be arranged in person by the Ambassador of the nation if desired via diplomatic e-mail address and ongoing support.

We can assist with Visas if required. See details below.

Alternatively the diplomatic passport and credentials can be dispatched to you anywhere in the world via courier service as you desire.

To assist our agent, who is well versed in these affairs, will vet your application and if necessary submit suggestions prior to final submission.

The fee is payable in two installments based on progressive accomplishment of the process as clearly stated above. Full particulars are forthcoming when your proof of funds and CV are approved and accepted and our referral fee of Euro 1,500 paid.

DIPLOMATIC PROTOCOL

To get started, before sending ANY money, e-mail PT Shamrock you're proof of funds and CV along with the appointment you desire. This will allow us to pre-qualify you and see if you meet the minimum financial and protocol requirements that such a diplomatic appointment demands, which appointments you are qualified for and what is available for your home country, i.e. the country where are legally resident.

This is the first step in this diplomatic appointment process.

Should your CV and proof of funds qualify, be prepared to remit a Euro 1,500 referral fee (to avoid the merely curious) direct to PT Shamrock.

For this purpose we accept bank wires, e-dinar, Liberty Reserve, Western Union or Money Gram remittances.

Once we receive your referral fee, full particulars, along with the name of the country and full modalities will be forthcoming, along with a letter stating we're authorized to act on the host countries behalf vetting potential diplomatic candidates.

Then and only then can we assist you in a step by step process.

If you are not serious, ready, willing and able financially to proceed per the above steps and requirements as below, please do not waste your time and ours by e-mailing asking questions. We simply do not have to time to deal with time wasters and persons who don't qualify for these highly prestigious positions.

On the other hand if you're a serious player and are sincere about obtaining a legitimate and fully recognized UN diplomatic appointment and passport, send us your proof of funds and CV. As soon as your CV and POF are accepted, you remit our referral fee of Euro 1,500 and the process gets underway.

This will pre-qualify you and act as an excellent basis for getting started. This takes you to the next level with the program.

Once we receive both your proof of funds and referral fee, full particulars along with all the modalities and

payment schedule will be forthcoming. You will be held by the hand all the way through the process and will be assisted with your CV [if need be] in order to give you the highest probability of success of being granted a diplomatic appointment and passport.

Remember only the head of state can grant or deny a diplomatic appointment. If you are serious, a person of means and are willing to donate to and assist the host country, there is a high probability that you will be granted a highly prestigious diplomatic appointment and passport with all the bells and whistles that go along with it.

TO REITERATE - Send us your proof of funds and CV and if you qualify, we will endeavour to answer all your questions.

E-mail or [contact us](#) and place "DIPLOMATIC PP" in the subject heading and be prepared to e-mail us your proof of funds or means and CV!

Best regards,

PT Shamrock
